MEMORANDUM FOR: Project Director
SUBJECT: Presentation on "What Have We Learned"

1. In pursuance of your request of the evening of 3 July on the above subject I have talked with Messrs. Lundahl and [redacted] and left with them the following understandings:

- a. [redacted] who will be acting for Lundahl has the responsibility to manage the preparation of the PI aspect of the high-level briefing.
- b. That his office should draw upon technical competence in the Agency or the other agencies as required;
- c. That any arrangements necessary should be made for enlargement as may be desirable to most effectively clarify and illustrate vital intelligence acquired.
- d. That [redacted] should keep you informed by note from day to day of progress and plans for the development of the presentation so that you may provide additional guidance as you desire, and
- e. That [redacted] should check in with [redacted] for guidance as to whom they should work with in regard to expediting delivery of new materials.

2. I explained that it was my understanding that [redacted] had been asked by you to work with EK in order to get the highest quality product. I was informed by Lundahl that his office would send a team to EK to arrange for cuttings of highly desirable frames in order to expedite PI as was done in the instance of your recent trip to Europe.
